1546	C3/D3		LVGP	*	La 9, B 253	R4

1532. Generally without throne; for an exception see a specimen in L.

1534. Sale 165.1303.

1537. Another example in a private collection.

1539, 1541. These reverses are die-linked (T).

1538. One die reads SMRA (T); probably an error, not another mint ?Barcelona. Cigoi forgeries exist (*Br* 359, 360).

1541. Also Sales 25.199, 210.520. W = Tanini 356. Cigoi forgeries exist (*Br* 361).

1543. Sometimes ✕.

1544. In trade; the exergual reading appears certain.

1545. The authenticity of this piece has been questioned.

1546. Cited from Récamier collection; confirmation required. See also Sale 73.4666, and Heerlen and Lutterbach hoards. A piece of this type from Argelliers hoard is illustrated in *BSFN* 1992, 279, but mint-mark and division of reverse legend cannot be distinguished.
