2075. Obverse legend generally ... **AG**, it and mint-mark sometimes blundered; perhaps posthumous; see also Anthemius (no. 2906), Nepos (nos. 3252–3) and Romulus (no. 3422).

2076. Sale 65.1068a (probable).

2077. Also Sale 68.1322.

2078. RSC 46†c quotes example with

obverse V2 or 9/D3; not seen.

2081. Private collection.

2082, 2083. Forgeries with mint-mark **AQCOM** attributed to Cigoi (*Br* 357) may be as early as 1814 (*Wiczay* 2948). Tanini 363 also gives this type to Valentinian III; unconfirmed.
