66. Kaiseraugst hoard. Also with SIS∩ (trade).

68. Another example illustrated in Mazzini 142.

73. Kaiseraugst hoard.

74. A satisfactory means of distinguishing these pieces from those of

Constantine I with the same mint-mark has not yet been established. *Agora* 840 lists a piece of Divus Constantine I with the *rev.* type Quadriga; the mint-mark is given as [B]SIS: very unlikely, confirmation required.
